	Who	Date
Chad, Thank you for sending me this. My only question is about the last requirement in DegreeWorks for your UTEACH Carroll, Hyrum minor: Advisor Approved Elective Still Needed: 1 Class in PSEUDO @ I don't know what that means :). Do you? This is a doable, but aggressive schedule. Nine credits in the summer is generally more than 18 credits in a fall or spring semester. It looks like what it needs to be to keep your graduation date. How do you feel about this workload? I've released your advising hold. Please let me know what questions you have, Dr. Carroll	Carroll, Hyrum	10/25/2022
